

Why Work With Krista?

Working with a seasoned and professional speaker means that you don't have to worry about anything. We coordinate all of the details and give you the confidence that your event will be a huge success.

Flexible, Organized, and Communicative

Krista is easy to work with and flexible to meet and exceed your needs. As a professional speaker for 15+ years, she has processes to get you everything you need and will communicate with you every step of the way.

Professional

The advantage of hiring an experienced professional is that you don't have to worry about anything. Her team will work with you to make sure we have everything in place (tech setup, room, handouts, etc.) to make your event a huge success.

Customized for Your Audience

Our presentations are customized for your audience. They aren't canned presentations. We work to make sure that we have relevant examples and content for your industry.

Consistently Top-Rated

Krista is consistently top-rated by attendees and invited back to events year after year. This is because she delivers outstanding presentations and works to engage the audience with practical and actionable content.

Engaging and Entertaining

Krista is an engaging and entertaining speaker. She includes audience interactions and participations to create a fun and effective learning experience.

Testimonials

"I found the social media presentation to be the most useful and relevant information I have ever attended. 10 out of 10!"

**Darlyne Koretos,
Executive Services Corps**

"Krista's presentation and materials are so helpful and comprehensive. After attending I feel like I have what I need to be successful. She is the guru!"

**Carrie Phillippi,
Saybrook Marketing Communications**

"Krista Neher is certainly a step ahead of the game. She reigns in an ever changing social media landscape and presents depth and breadth of information that is intuitive and easy to grasp. Very, very practical."

**Matthew Dooley,
Midland**

"I took 30 pages of notes and that's not something I've ever done at a seminar before. I've been using what I learned to expand the social media footprint of my business in ways I hadn't considered before the seminar. Thanks for putting together a clear and easy to understand approach to social media. I would strongly recommend this program to anyone that is interested."
